Industrial Instrument Technician

JD

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Dedicated Industrial Instrument Technician with experience in the oil and gas sector, particularly in Angola. Skilled in automation, electrical maintenance, and non-destructive testing (NDT). Committed to safety and quality in all aspects of work. Strong ability to adapt and learn quickly in dynamic environments, contributing to team success and project efficiency.

KEY ACHIEVEMENTS

NDT Technician: Successfully completed various NDT methods including Liquid Penetrant, Magnetic Particle, and Ultrasonic Testing.

Industrial Instrument Technician: Contributed to the Etanazer Project at Luanda Oil Refinery, enhancing operational efficiency.

Electrical Maintenance Intern: Gained hands-on experience in electrical maintenance during internship at EDPESCA.

PROFESSIONAL EXPERIENCE

Automation and Instrumentalist Technician

Grupo Castel - Cuca, Luanda, Angola — *2023 - 2024*

- Worked on automation systems at the Cuca factory.
- Performed instrumentation tasks to ensure operational efficiency.

NDT Technician
