Operations Manager / Quality Control Head

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

José Mendes Botelho is a seasoned professional with over 47 years of experience in the oil and gas industry across multiple countries including Angola, Algeria, and France. He has held various roles from Trainee Team Leader to Operations Manager, demonstrating strong leadership and quality control skills. His extensive background includes managing drilling operations and ensuring the quality of equipment used offshore. José is known for his reliability, autonomy, and commitment to safety in high-pressure environments.

KEY ACHIEVEMENTS

Head of Quality Control Department: Promoted to oversee quality control for all equipment acquired by Total, ensuring compliance and operational readiness.

Operations Manager at Somoil: Managed drilling operations and logistics, significantly improving efficiency and safety standards.

General Consultant for BravoEtoy: Led efforts to secure drilling rig operations in the Congo and Kwanza Basins, enhancing company capabilities.
