Drilling Engineering Manager

JF

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Drilling Engineering Manager with a strong background in offshore and onshore exploration projects. Proven expertise in well design, execution, and safety management within the oil and gas industry. Adept at managing multidisciplinary teams and ensuring compliance with local regulations. Committed to delivering safe, reliable, and cost-effective drilling operations while maintaining strong relationships with stakeholders.

KEY ACHIEVEMENTS

Drilling Engineering Manager: Successfully managed well engineering for offshore exploration projects, ensuring compliance with safety and budget requirements.

Project Manager: Led onshore exploration projects, improving team performance and ensuring timely budget estimations.

Deepwater Drilling Engineer: Developed and executed drilling programs that met operational practices and reduced costs.

PROFESSIONAL EXPERIENCE

Drilling Engineering Manager

Maurel & Prom — Offshore Exploration, Namibia — ***Present***

- Manage well engineering and ensure safety management plans are followed.
- Oversee well design and execution within budget and compliance with regulations.
- Report project status to the Drilling Director.

Project Manager

Ocean Atlantic Petroleum — Onshore Exploration, Angola — ***2017-2019***

- Manage onshore exploration well projects and ensure team safety.
- Interact with finance and business partners to ensure cash flow and service provision.
- Report project status to the General Director.

Deepwater Drilling Engineer

British Petroleum — Development Project, Angola — ***2009-2017***

TECHNICAL SKILLS

- Well design
- Drilling program execution
- Safety management
- Budget management
- Project management
- Cement design
- Drilling fluids management

SOFT SKILLS & PERSONALITY TRAITS

- Leadership
- Problem solving
- Positive communication
- Organizational skills
- Capacity to work in a multidisciplinary environment

EDUCATION & TRAINING

- Mining Engineering Degree – Agostinho Neto University, Angola (2000)
- Petroleum Engineering Post Graduate – IF-P School (2002)
- IADC Well Control Certification – Houston (2017)
- Drilling Bits Design – Halliburton/Houston (2004)
- Operations Geology – PetroSkills/Luanda (2006)
- Operations Drilling Technology – Murchison Drilling School/New Mexico (2006)
- Drilling Practices – Drilling Training Alliance/Houston (2006)
- Drilling Fluids – Drilling Training Alliance/Houston (2006)

OIM France SAS
RCS Saint Nazaire 948 296 983
12, allée des Alizés + 44380 PORNICHET, France

- Design and execute well plans, ensuring compliance with company policies.
- Produce detailed drilling programs and manage AFE cost estimations.
- Provide technical support during well execution.

Onshore rotational DE

British Petroleum — Development Project, Oklahoma/USA **2007-2009**

- Supervise daily rig site operations and ensure safety compliance.
- Coordinate logistics and produce daily drilling reports.
- Assist in resolving engineering and material problems.

Deepwater Drilling Engineer

British Petroleum — Exploration Project, Angola **2006-2007**

- Perform well planning and develop general drilling plans.
- Assist in contract generation and rig selection for deep water drilling.
- Support operations team as required.

Deepwater Drilling Engineer

British Petroleum — Development Project, Angola **2005-2006**

- Gain awareness of rig operations through various roles on the rig.
- Assist in well planning and execution.

Sales Representative

SECURITY DBS - Bit Vendor, Angola **2004-2005**

- Manage sales of drilling bits and ensure customer needs are met.

Cement Engineer

Halliburton, Angola **2002-2004**

- Prepare cement programs and perform laboratory tests to meet customer requirements.

Chemistry Teacher

Education Ministry, Angola **1993-2000**

- Lectured in various schools while completing university education.

JF

- Cementing Design – Drilling Training Alliance/Houston (2007)
- Directional & Extended Reach Drilling – Drilling Training Alliance/Houston (2007)
- Casing Design – Drilling Training Alliance/Houston (2008)
- Managing Hole Problems – Drilling Training Alliance/Houston (2008)
- Introduction to Completion – Tracks International/Aberdeen (2008)
- Portuguese – Native Speaker
- English – Fluent
