ROV Supervisor / Hydraulic Systems Engineer

GJ

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced ROV Supervisor with over 45 years in the Saturation Diving and ROV industry, specializing in hydraulic powered designs for robotic arms and launch systems. Proven track record in managing complex offshore operations, including inspections and maintenance of subsea systems. Skilled in toolmaking and mechanical engineering, with extensive experience in pneumatic and hydraulic control systems. Known for reliability, autonomy, and a strong commitment to safety in high-pressure environments.

KEY ACHIEVEMENTS

Efficient Project Management: Successfully brought a project onboard the Energean Star in Israel two days ahead of schedule by changing out chokes and weather buoy.

Innovative Machine Design: Designed and manufactured bespoke machines for niche markets, including a test rig adopted by IBM.

Extensive ROV Operations: Supervised numerous ROV operations across various international projects, ensuring high standards of safety and efficiency.

PROFESSIONAL EXPERIENCE

Shift Supervisor

Energean Oil, Israel — ***November 2025***

- Managed the change out of chokes and weather buoy, completing the task ahead of schedule.
- Oversaw operations ensuring compliance with safety standards.

Shift Supervisor

Interocean / Energean Oil, Israel — ***September/October 2025***

- Conducted X-tree GVI and manifold GVI inspections.
- Managed flowline boom and MBES survey operations.

Subengineer

Sevenseas, Offshore — ***August 2025***

- Operated Hercules ROV system during Flexilay operations.
- Ensured effective communication with the team for operational success.

TECHNICAL SKILLS

- ROV Operations
- Hydraulic Systems Design
- Mechanical Engineering
- Toolmaking
- High Voltage Systems
- Subsea Inspection
- Pneumatic Control Systems

SOFT SKILLS & PERSONALITY TRAITS

- Reliable
- Autonomous
- Safety-focused
- Meticulous

EDUCATION & TRAINING

- City & Guilds Tool making - Parts 1,2&3 – Motherwell Technical College
- Basic Offshore Safety Induction – R.G.I.T Montrose
- Emergency Training (BOSIET) – R.G.I.T Montrose
- High Voltage Course – R.G.I.T Montrose
- Schilling Robot Arms Course – R.G.I.T Montrose
- Accident Investigation Qualified – R.G.I.T Montrose
- Working & Rescue at Height – R.G.I.T Montrose
- Compressed Air Emergency Breathing System – R.G.I.T Montrose
- English

GJ

ROV Supervisor

DOF Subsea, Norway ***April-May 2024***

- Supervised Triton Evo XLX Wellhead removal operations.
- Conducted soil sampling of the seabed.

ROV Supervisor

Fugro, Namibia ***January-February 2023***

- Supervised FCV onboard Pacific Greylag for support ROV operations.
- Ensured adherence to safety protocols during offshore activities.
