

International Welding Inspector/Engineer

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Resourceful and dedicated Mechanical Engineer with over 15 years of experience in quality assurance and control within the welding and mechanical engineering sectors. Proven track record in managing complex projects across various industries, including aeronautics and energy. Known for a meticulous approach to inspection and process optimization, ensuring compliance with international standards. Strong ability to lead teams and coordinate with multiple stakeholders while maintaining a focus on safety and efficiency.

KEY ACHIEVEMENTS

Project Management: Successfully managed multiple high-value projects, achieving significant financial savings and improved project coordination.

Process Optimization: Redesigned manufacturing processes, resulting in increased efficiency and reduced project timelines.

Quality Assurance: Led quality control initiatives that ensured compliance with international standards across various projects.

PROFESSIONAL EXPERIENCE

QA/QC Engineer

Sonovision, Toulouse, France

Sept 2022 - Present

- Conduct quality control and final inspections for products.
- Manage process control and document control activities.
- Ensure compliance with project specifications and standards.

QA/QC Engineer

ProQC, Hong Kong, China

Feb 2022 - Present

- Perform audits and industrial inspections.
- Conduct final and pre-shipment inspections.
- Review documentation for compliance.

Supervisor, Welding Engineer & QA/QC Manager

EPS, Belgrade, Serbia

Avg 2020 - Present

- Oversee welding engineering and QA/QC processes for major projects.
- Manage subcontractors and ensure compliance with project requirements.

TECHNICAL SKILLS

- Welding Engineering
- Quality Assurance
- NDT Inspection
- Process Control
- Document Control
- Project Management

SOFT SKILLS & PERSONALITY TRAITS

- Resourceful
- Detail-oriented
- Safety-focused
- Autonomous
- Meticulous

EDUCATION & TRAINING

- Diploma Mechanical Engineering – Faculty of Mechanical Engineering, The University of Belgrade (2015)
- Diploma Metallurgy Engineering – Faculty of Technology and Metallurgy, The University of Belgrade (Expected graduation)
- Non-Destruction Testing Visual Level 2 (NDT) – 2019
- Pressure Equipment Inspector – 2019
- International Welding Engineer/European Welding Engineer (IWE/EWE) – 2018
- International Welding Inspector, Comprehensive Level (IWI-C) – 2015
- International Welding Technologist (IWT) – 2015

Quality, Integrity, Reliability

OIM France SAS

RCS Nantes 948296983

6 rue Bois Robillard, 44 300 Nantes, France

- Review documentation and conduct acceptance of work.

Welding Engineer & QA/QC Manager

MONTAVAR LOLA, Belgrade, Serbia

Jan 2020 - Jul 2020

- Supervised final tests and documentation for oil refinery projects.
- Ensured compliance with operating permits and commissioning standards.
- Managed quality assurance processes for welding activities.

QA/QC Engineer / Senior Industrial Inspector

SGS, Belgrade, Serbia

Nov 2019 - Dec 2019

- Conducted audits and verified production standards.
- Inspected manufacturing processes for thermal power plant projects.
- Collaborated with subcontractors for compliance verification.

Site Supervisor

Bureau Veritas, Moscow, Russia

Sep 2019 - Oct 2019

- Supervised major gas pipeline construction activities.
- Ensured compliance with manufacturing and assembly standards.
- Managed documentation and reporting for project stakeholders.

Welding & QA/QC Engineer

*Metalunion, Karlovac, Croatia / MAURER SE,
Munich, Germany*

Nov 2018 - Sep 2019

- Monitored fabrication of metal structures and components.
- Led quality assurance processes and documentation for projects.
- Collaborated with foreign partners for standardization and certification.

Welding & QA/QC Engineer

Stirg, Belgrade, Serbia / Vienna, Austria

Aug 2018 - Nov 2018

- Developed welding technologies and procedures for manufacturing.
- Supervised welding processes and ensured quality control.
- Maintained records and reporting for project compliance.

Welding & QA/QC Engineer

TankMont, Belgrade, Serbia

Nov 2016 - Aug 2018

- Managed welding activities for a team of 80 professionals.
- Ensured compliance with safety regulations and technological procedures.

Quality, Integrity, Reliability

OIM France SAS

RCS Nantes 948296983

6 rue Bois Robillard, 44 300 Nantes, France

- Compiled project documentation and maintained communication with stakeholders.
