

Project Manager / SURF Manager

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Project Manager with over 20 years in engineering and project management, specializing in offshore and subsea projects. Proven track record in managing multi-discipline project teams and delivering complex EPCI projects. Strong expertise in floating wind projects and offshore installations, with a focus on safety and efficiency. Adept at business development and tender management, ensuring successful project execution and client satisfaction.

KEY ACHIEVEMENTS

SURF Package Delivery: Successfully managed the SURF package for the Pecan ultra deepwater field project, overseeing a contract valued at 800MUSD.

Offshore Wind Development: Led business development for offshore wind activities, including the EOLMED pilot project for floating foundations.

Riser Engineering Leadership: Directed a team of 20-30 engineers on the EGINA project, ensuring high-quality engineering and project delivery.

PROFESSIONAL EXPERIENCE

SURF Manager

PECAN ENERGIES, Ghana

1.5 years

- Oversaw the SURF package delivery including design, construction, and pre-commissioning.
- Managed the SURF contract and commercial negotiations.
- Coordinated project risks and CAPEX management.

Business Unit Manager

PONTICELLI, Western Europe

2.5 years

- Developed offshore wind business and managed tendering processes.
- Led industrialization of floating wind activities through ADEME funding.
- Sponsored the EOLMED pilot project for floating foundations.

Tender Project Manager

ASN, Calais, France

2.5 years

- Managed tendering projects for oil & gas, coordinating technical and commercial offers.

TECHNICAL SKILLS

- Project management
- EPCI project delivery
- Subsea engineering
- Floating wind project management
- Tender management
- Riser design and analysis

SOFT SKILLS & PERSONALITY TRAITS

- Reliable
- Autonomous
- Meticulous
- Safety-focused

EDUCATION & TRAINING

- Engineering Degree – ISITV (2005)
- Master of Marine Engineering – ISITV (2005)
- Business Administration Degree – IAE (2005)
- Master of Business Administration (DESS CAAE) – IAE Toulon (2005)
- Languages: French (Mother Tongue), English (Fluent)

Quality, Integrity, Reliability

OIM France SAS

RCS Nantes 948296983

6 rue Bois Robillard, 44 300 Nantes, France

- Oversaw offshore installation and subsea operations for fiber optic connectivity.

Method Lead Engineer

GEOCEAN, Bangladesh

6 months

- Led installation engineering for the Summit FSRU project, focusing on riser and umbilical installations.

Project Manager

Ponticelli, France

3 months

- Managed a chemical production site shutdown, overseeing 120 workers and ensuring HSE compliance.

Flexible Riser Lead Design Engineer

Technip FMC, France

8 months

- Conducted feasibility studies for ocean thermal energy conversion and assessed flexible riser integrity.

Riser Package Engineering Leader

SAIPEM, Nigeria

3.5 years

- Led engineering for the Egina Riser Package, supervising a large team of engineers.
- Managed subcontracting and interfaced with clients for project updates.

Lead Engineer

SUBSEA 7, France

1 year

- Oversaw riser global analysis for the KAOMBO project and managed mooring line repairs.

Lead Engineer

SAIPEM, France

9 months

- Led engineering efforts for Total Egina and Petrobras pre-Salt projects.

Lead Engineer / Project Manager

PRINCIPIA, France

1.5 years

- Managed riser engineering projects and led design efforts for CLOV SHRs.

Project / Senior Engineer

MCS, Multiple Locations

5+ years

- Managed riser design and installation projects across various locations including Houston and Paris.
