

Technical Audit Engineer / Quality Inspector

JC

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Wind Turbine Technician and Quality/HSE Inspector with over 16 years in the wind energy sector across France, Germany, Denmark, and Morocco. Expert in preventive and corrective maintenance, safety leadership, and international Full GWO training. Strong background in electrical, mechanical, and HSE operations within renewable energy infrastructures. Proven ability to conduct technical audits and inspections, ensuring compliance with international quality and safety standards.

KEY ACHIEVEMENTS

Quality Inspector PMO: Supervised inspections of wind turbine components, ensuring compliance with international quality standards and optimizing operational efficiency.

Specialized Wind Turbine Expert Technician: Operated and maintained V80, V90, and V112 wind turbines, coordinating internal quality audits to ensure compliance.

Quality Supervisor: Performed technical audits and compliance checks prior to installation, documenting findings to support quality assurance processes.

PROFESSIONAL EXPERIENCE

Technical Audit Engineer

WPO France – Paris, France

Since Oct. 2024

- Conduct technical audits and inspections of wind turbines.

- Analyze NCRs and monitor corrective actions.

Quality Inspector PMO

8.2 France – Saint-Nazaire, France

Oct. 2022 – Oct. 2024

- Supervised inspections of wind turbine components and ensured compliance with quality standards.
- Specialized in vibration analysis to identify mechanical anomalies.
- Performed generator alignment for optimal operational efficiency.

Quality Supervisor

EOS Spain – Barcelona, Spain

Mar. 2021 – Sept. 2021

TECHNICAL SKILLS

- Wind turbine inspection
- Vibration analysis
- Electrical troubleshooting
- Mechanical maintenance
- HSE compliance
- SAP
- Microsoft Office
- Web/mobile software for inspections

SOFT SKILLS & PERSONALITY TRAITS

- Reliable
- Meticulous
- Safety-focused

EDUCATION & TRAINING

- Professional Degree in Health, Safety and Environment (LP HSE) – FST Tanger-Tetouan-Al Hocima (2014)
- Specialized Technician in Electromechanical Automated Systems – ISTA Marrakesh (2005)
- High School Diploma – Experimental Sciences – Lycée Demnat (2003)
- Habilitation Electrique BT-HT NF C 18-510 – PREMATECH (2028)
- Full GWO – FMTC Rennes (2026)

Quality, Integrity, Reliability

OIM France SAS

RCS Nantes 948296983

6 rue Bois Robillard, 44 300 Nantes, France

- Supervised inspections of wind turbine components before assembly.
- Conducted technical audits and compliance checks prior to installation.
- Documented findings and issued inspection reports.

Specialized Wind Turbine Expert Technician

Vestas France – Montpellier, France

Mar. 2017 - Feb. 2021

- Operated and maintained V80, V90, and V112 wind turbines.
- Conducted troubleshooting and performed high-voltage electrical interventions.
- Coordinated internal quality audits to ensure compliance.

Maintenance Technician – HSE Coordinator

Siemens – Tarfaya, Morocco

Mar. 2014 - Mar. 2017

- Performed maintenance tasks for SWT 2.3S turbines and led HSE initiatives.
- Executed preventive and corrective maintenance to ensure optimal turbine performance.
- Conducted safety inspections and enforced compliance with HSE regulations.

Maintenance Technician

*Global Energy Services – Tanger-Tetouan-Al
Hocima, Morocco*

Jan. 2008 - Jun. 2012

- Performed preventive/corrective maintenance on multiple platforms.
- Supervised installation and commissioning of wind turbine components.

Process Technician

Procter & Gamble – Casablanca, Morocco

Mar. 2006 - Dec. 2007

- Documented maintenance activities and contributed to continuous improvement efforts.
