Electromechanical Technician

AL

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Versatile industrial technician with 5 years of experience in continuous production in heavy industry. Since January 2025, expanded functions to electromechanical maintenance. Strong field profile with a solid HSE and 5S culture, focused on offshore wind maintenance and demanding environments. Experienced in troubleshooting and securing critical industrial installations under 5x8 shift schedules.

KEY ACHIEVEMENTS

Electromechanical Maintenance: Performed maintenance and securing of critical industrial installations, ensuring operational continuity.

Machine Adjustment and Optimization: Optimized inspection machines for glass bottles, enhancing quality control and production efficiency.

Process Supervision: Supervised forming machines in continuous production, maintaining stability and product quality.

PROFESSIONAL EXPERIENCE

Electromechanical Technician

O-I France SAS — Vayres, France ***Janv. 2025 – Mars 2026***

- Maintained and secured critical industrial installations in continuous production under 5x8 shifts.
- Diagnosed failures, ensured safety, and reinstated electrical and utility equipment.
- Supported operational teams during technical stops and restarts.

Inspection Machine Adjuster

O-I France SAS — Vayres, France ***Oct. 2022 – Mars 2026***
