

Project Manager / SURF Manager

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Project Manager with over 20 years in engineering and construction, specializing in offshore and subsea projects. Proven track record in managing multi-discipline project teams and delivering complex EPCI projects. Strong expertise in floating wind projects and offshore installation. Recognized for effective risk management and project coordination, ensuring safety and quality standards are met.

KEY ACHIEVEMENTS

SURF Package Delivery: Successfully managed the SURF package for the Pecan ultra deepwater field project, overseeing a contract valued at 800MUSD.

Offshore Wind Development: Led business development for offshore wind activities, including the EOLMED pilot project for floating foundations.

Riser Engineering Leadership: Directed a team of 20-30 engineers on the Egina project, ensuring successful riser system design and installation.

PROFESSIONAL EXPERIENCE

SURF Manager

PECAN ENERGIES, Ghana

1.5 years

- Oversaw the SURF package delivery including design and installation.
- Managed the SURF contract and commercial negotiations.
- Coordinated the SURF team and project risk management.

Business Unit Manager

PONTICELLI, Western Europe

2.5 years

- Developed offshore wind business and managed tendering processes.
- Led industrialization of floating wind activities.
- Sponsored the EOLMED pilot project for floating foundations.

Tender Project Manager

ASN, Calais, France

2.5 years

- Managed tendering projects for oil & gas, coordinating technical and commercial offers.
- Oversaw offshore installation and subsea operations for fiber optic connectivity.

TECHNICAL SKILLS

- Project management
- EPCI project delivery
- Offshore installation
- Subsea engineering
- Floating wind projects
- Tender management

SOFT SKILLS & PERSONALITY TRAITS

- Reliable
- Autonomous
- Meticulous
- Safety-focused

EDUCATION & TRAINING

- Engineering Degree – ISITV (2005)
- Master of Marine Engineering – ISITV (2005)
- Business Administration Degree – IAE (2005)
- Master of Business Administration (DESS CAAE) – IAE Toulon (2005)
- Languages: French (Mother Tongue), English (Fluent)

Quality, Integrity, Reliability

OIM France SAS

RCS Nantes 948296983

6 rue Bois Robillard, 44 300 Nantes, France

Method Lead Engineer

GEOCEAN, Bangladesh

6 months

- Led installation engineering for the Summit FSRU project.
- Managed riser and umbilical installation package.

Project Manager

Ponticelli, France

3 months

- Managed a chemical production site shutdown with 120 workers.
- Handled contract, planning, HSE & QA/QC management.

Flexible Riser Lead Design Engineer

Technip FMC, Global

8 months

- Conducted feasibility studies for ocean thermal energy conversion.
- Assessed integrity of flexible risers for Jubilee assets.

Riser Package Engineering Leader

SAIPEM, Nigeria

3.5 years

- Led engineering for the Egina Riser Package and managed subcontracting.
- Supervised a team of engineers and coordinated multi-disciplinary activities.

Lead Engineer

SUBSEA 7, Global

1 year

- Managed riser global analysis for KAOMBO project.
- Oversaw tender and repair work for Dalia mooring line.

Lead Engineer

SAIPEM, Global

9 months

- Led engineering for Total Egina and Petrobras pre-Salt Projects Tender.

Lead Engineer / Project Manager

PRINCIPIA, Global

1.5 years

- Managed riser engineering projects and hydrodynamic studies.

Project / Senior Engineer

MCS, Global

5+ years

- Managed projects and small engineering teams in Houston, Paris, and Galway.
- Conducted riser analysis for design and installation.
