

Mechanical Fitter / Fitter and Turner

BB

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Dedicated Mechanical Fitter with extensive experience in machine building and maintenance, particularly in the feed conveying sector. Proven ability to work under pressure while maintaining high standards of quality and safety. Strong technical skills in welding, machining, and hydraulic systems, complemented by a proactive approach to problem-solving and efficiency improvement. Committed to training and mentoring apprentices, fostering a collaborative work environment.

KEY ACHIEVEMENTS

Machine Maintenance Improvement: Implemented routine checks and maintenance schedules that significantly reduced downtime and improved operational efficiency.

Project Management: Successfully managed multiple projects ensuring timely completion and adherence to budget constraints.

Training and Development: Provided training and oversight to apprentices, enhancing team skills and productivity.

PROFESSIONAL EXPERIENCE

Mechanical Fitter

Technical Systems

2021.08.06 –
CURRENT

- Conducted testing and commissioning of hydraulic systems and machinery.
- Performed routine maintenance and repairs on various industrial machines.
- Collaborated with cross-functional teams to enhance operational efficiency.

Mechanical Workshop Foreman/Fitter

Freelance Contract

2021.03.06 –
2021.06.06

- Managed daily operations and workflow in the workshop, ensuring compliance with safety protocols.
- Oversaw machine building and component manufacturing, maintaining quality standards.
- Provided training and guidance to semi-skilled staff.

Fitter and Turner (Projects)

TECHNICAL SKILLS

- Machining
- Welding (MIG, TIG, ARC)
- Hydraulic systems
- Pneumatic systems
- Basic electrical work
- CNC Operation
- AutoCAD
- SolidWorks

SOFT SKILLS & PERSONALITY TRAITS

- Self-motivated
- Proactive
- Strong communication
- Leadership
- Ability to work under pressure

EDUCATION & TRAINING

- National Senior Certificate – Swartland High School (2015)
- Trade Qualified Fitter & Turner – Northlink College Wingfield (2019)
- First Aid – Provider Unknown (Year Unknown)
- OHS – Provider Unknown (Year Unknown)
- Firefighting Level 1 – Provider Unknown (Year Unknown)
- Hydraulics and Pneumatics Level 2 – Provider Unknown (Year Unknown)
- Mechanical Engineering Level 1 – 4 – Provider Unknown (Year Unknown)
- Forklift Training Level 3 – Provider Unknown (Year Unknown)

*Technical Systems***2020.05.11 –
2021.03.04**

- Machined parts and fabricated steel constructions for various projects.
- Performed maintenance and upgrades on production machinery to ensure optimal performance.
- Conducted fault finding and repairs on production equipment.

Fitter and Turner/Foreman*Subcontracting City of Cape Town***2020.02.03 —
2020.05.03**

- Supervised workshop staff and ensured adherence to health and safety protocols.
- Executed site installations and pressure testing on pipelines.
- Managed the assembly and installation of various piping systems.

Fitter and Turner*CTC Plant Company Ltd***2016.01.03 —
2020.01.31**

- Performed precision machining and assembly of components for earthmoving machinery.
- Conducted fault diagnosis and repairs on hydraulic and pneumatic systems.
- Maintained workshop equipment and ensured operational efficiency.

- BOSIET CA-EBS – Provider Unknown (Year Unknown)
- Working at Heights – Provider Unknown (Year Unknown)
- Safety and Risk Training – Provider Unknown (Year Unknown)
