Senior Inspection Professional & Refinery Operations Expert

LS

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Results-driven inspection professional with over 15 years of experience in the petrochemical industry, specializing in refinery operations and quality assurance. Proven track record in ensuring safety, efficiency, and compliance through meticulous inspections and operational improvements. Adept at leading teams and fostering collaboration to achieve project objectives. Committed to continuous improvement and implementing robust safety protocols to mitigate risks.

KEY ACHIEVEMENTS

Inspection Compliance: Successfully executed inspections to ensure compliance with regulatory requirements and industry standards.

Operational Efficiency: Improved operational efficiency by optimizing process units, reducing downtime, and increasing productivity.

Safety Protocol Development: Developed and implemented safety protocols to mitigate risks associated with hazardous substances.

PROFESSIONAL EXPERIENCE

API 653 Tankage QC Inspector

DSES Project Solutions — ***2024-2025***

- Conducted field verification checks and welding inspections on quality control duties with third-party inspectors.
- Compiled data books including QCPs, method statements, and NDT records.
- Ensured compliance with project specifications and standards.

API 510 Authorized Pressurized Vessel Inspector

Apex AIS (Offshore) — ***2024***

- Conducted statutory inspections on pressure vessels and witnessed testing procedures.
- Compiled required information for data books and ensured compliance with safety regulations.
- Reviewed NDT reports and documented findings.

Quality Control Inspector

Bevline Mechanical Projects — ***2024***

- Performed quality control duties during shutdowns and valve function testing.

TECHNICAL SKILLS

- QA/QC Inspection
- Non-Destructive Testing
- Welding Inspection
- Pressure Vessel Inspection
- Piping Inspection
- Fabrication Inspection
- Process Unit Operations

SOFT SKILLS & PERSONALITY TRAITS

- Detail-oriented
- Safety-focused
- Leadership
- Team collaboration
- Effective communication

EDUCATION & TRAINING

- Cswip 3.1 Welding Inspector Level 2 – TWI (2025)
- Non-Destructive Testing Level 2 (Limited) – Academy of South Africa (2025)
- BCom Degree Supply Chain Management – Mancosa University (2024)
- API 510- Pressure Vessel Inspector – API Individual Certification Programs (2024)
- OPITO BOSIET – OPITO (2024)
- API 653- Aboveground Storage Tank Inspector – API Individual Certification Programs (2024)
- API 570- Piping Inspector – API Individual Certification Programs (2023)

OIM France SAS
RCS Saint Nazaire 948 296 983
12, allée des Alizés + 44380 PORNICHET, France

- Inspected equipment and consulted with the instrument department.
- Conducted pneumatic pressure testing of equipment.

Mechanical QC Inspector
Viable Inspection & Engineering Services **2024**

- Conducted factory acceptance testing and witnessed NDT for clients.
- Performed hydrostatic leak testing and positive material identification.
- Maintained inspection records for quality audits.

API 570 Authorized Piping Inspector
DME Solutions Namibia **2024**

- Conducted external visual inspections and process piping walk-downs using isometric drawings.
- Provided repair recommendations based on CUI inspections.
- Compiled inspection data into a database for future reference.

Senior Field Operator
Prefchem **2021-2022**

- Assisted with commissioning and start-up of refinery units.
- Accountable for compliance with shift schedules and execution of work.
- Managed operational handovers to the operations department.

Senior Field Operator
ENGEN Durban **2007-2023**

- Operated plant equipment within specified operating envelopes and signed off on ITPs during turnarounds.
- Prepared pumps and compressors for the mechanical department and ensured compliance with operational standards.
- Maintained records of inspections and equipment readiness.
