High Voltage Grid Electrician

FG

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced High Voltage Grid Electrician with a strong background in offshore works and power lines. Proficient in maintenance and operations for offshore substations, demonstrating reliability and safety in high-pressure environments. Skilled in RAMS writing and LOTO procedures, with a focus on client relations and spare parts management. Fluent in German and basic English, with a commitment to continuous learning and safety standards.

KEY ACHIEVEMENTS

Offshore Technician: Successfully completed maintenance operations on various offshore substations, ensuring operational readiness and safety.

Transformer Maintenance: Managed the disassembly and re-commissioning of damaged transformers, enhancing system reliability.

High Voltage Equipment Testing: Conducted testing and maintenance of power transformers and circuit breakers using OMICRON CPC-100, improving equipment performance.

PROFESSIONAL EXPERIENCE

Offshore Technician

CDA Chantiers de l'Atlantique, St Nazaire, France — ***2023***

- Performed offshore maintenance operations and ensured readiness for operations.
- Managed spare parts and maintained client relationships.
- Wrote RAMS and implemented LOTO procedures.

Freelance Technician

SPIE and CDA — ***2024***

- Executed maintenance on OSS damaged transformers, including outage and disassembly.
- Conducted re-commissioning and testing of transformers on offshore substations.
- Collaborated with G.E supervisors on GIS 66/225kV projects.

Electrician

Swiss Grid (BKW Group, ex ARNOLD ENERGIE A.G), Switzerland — ***2016-2022***

- Performed maintenance on power transformers and circuit breakers, ensuring compliance with safety standards.

TECHNICAL SKILLS

- High Voltage Grid Maintenance
- RAMS Writing
- LOTO Procedures
- Power Transformer Testing
- GIS 66/225kV Operations
- Cable Terminations

SOFT SKILLS & PERSONALITY TRAITS

- Reliable
- Safety-focused
- Client-oriented
- Meticulous

EDUCATION & TRAINING

- CFC (Certificat Federal de Capacité) – Professional School of LAUSANNE (2020)
- GWO Modules – Various Providers (Expire 2025)
- OPITO BOSIET – OPITO (Expire 2025)
- IRATA Level 1 – International Rope Access (Year Unknown)
- Electrical Accreditations (Low Voltage) – France (Year Unknown)
- Electrical Accreditations (High Voltage) – France (Year Unknown)
- Languages: English (basic), German (fluent)

OIM France SAS
RCS Saint Nazaire 948 296 983
12, allée des Alizés + 44380 PORNICHET, France

- Conducted renovations on substations and power lines, enhancing system efficiency.
- Executed cable terminations and maintenance of MV cells.
