

Wind Turbine Specialist

DF

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

A competent and multi-skilled Wind Turbine specialist with over a decade of experience working on various Wind Farms both on and offshore. I have solid experience in logistics, pre-assembly, erecting, installation (electrical and mechanical), main component exchange, service, troubleshooting, retrofitting, decommissioning, and disassembling Wind Turbines. I always show a legitimate respect for following strict Health and Safety protocols, risk assessments, and management instructions throughout. Now looking to further progress in the Renewables industry through the expansion of knowledge and progression of what has been a successful career to date.

KEY ACHIEVEMENTS

Vestas AT Offshore Supervisor: Utilized skills for a broad range of tasks including service, main component exchange, fault finding on Vestas assets throughout Northern Europe.

Troubleshooting Team Lead: Led troubleshooting on Markbygden wind farm and provided tech support on Maesgwyn wind farm.

Authorized Siemens Level 5 Technician: Served as Team Leader during annual service and QA Tech for installations and retrofits.

Installation of Wind Turbines: Involved in the erection and installation of multiple Siemens and Enercon turbines across various wind farms.

Health and Safety Commitment: Maintained strict adherence to Health and Safety protocols, receiving commendations for high-quality work.

PROFESSIONAL EXPERIENCE

AT Offshore Supervisor

Vestas

Mar 2022 to present

- Oversaw a complete range of tasks including service, main component exchange, and fault finding.
- Conducted H.V work and statutory inspections.
- Led a team ensuring safety and quality standards.

Tech Support

Samuel Knight International

Aug 2020 to Mar 2022

- Provided repairs and troubleshooting on Maesgwyn and Markbygden wind farms.
- Conducted preventative maintenance and electrical troubleshooting.
- Managed generator repairs and pitch system troubleshooting.

TECHNICAL SKILLS

- Quality control
- Fault finding
- Health and Safety
- Installations
- Mechanical Completion
- Renewable Energy
- Troubleshooting
- Wind Turbine Erecting/Preparation
- Risk Assessments
- Servicing

SOFT SKILLS & PERSONALITY TRAITS

- Reliable
- Meticulous
- Safety-focused

EDUCATION & TRAINING

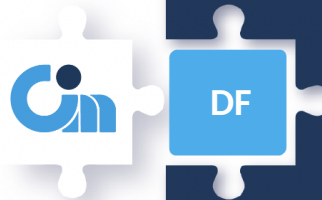

- HNC Mechanical Engineering – (Year Unknown)
- Siemens Level 2 – (Year Unknown)
- Siemens Level 3 – (Year Unknown)
- Siemens Level 4 – (Year Unknown)
- Siemens Level 5 – (Year Unknown)
- WTSR – (Year Unknown)
- Advanced Rescue – (Year Unknown)
- Rescue up – (Year Unknown)
- Zero Energy – (Year Unknown)
- L-Aus – (Year Unknown)
- BOSIET – (Year Unknown)
- MIST – (Year Unknown)
- Renewable UK Working at Height – (Year Unknown)
- GWO Working at Height – (Year Unknown)

Statutory Inspections Technician

ITS Plant Tech

Mar 2019 to Apr 2020

- Performed inspections and maintenance of safety equipment and lifting gear.
- Completed reports to high standards.
- Ensured compliance with safety protocols.

Level 5 Team Lead

Earthstream Global

Mar 2017 to Nov 2018

- Led a team on annual service of Siemens turbines.
- Ensured safety and quality of work.
- Managed daily reports and fault reporting.

Level 5 Team Lead

FairWind A/S

Mar 2016 to Feb 2017

- Led a team on annual service of Siemens turbines.
- Ensured safety and quality of work.
- Managed daily reports and fault reporting.

Decommissioning Engineer

Green Wind Energy

Dec 2015 to Mar 2016

- Conducted decommissioning and disassembly of wind turbines.
- Performed inspections to ensure compliance with Method Statements.
- Adhered to Health and Safety protocols.

Offshore Service Technician

FairWind A/S

Apr 2015 to Dec 2015

- Serviced various wind turbines including fault finding.
- Promoted a safety-first culture.
- Ensured compliance with project updates.

Offshore Service Technician

Awes

Jan 2015 to Mar 2015

- Performed troubleshooting and repair of electrical and mechanical components.
- Serviced offshore wind turbines.
- Collaborated with the technical team for maintenance tasks.

Engineer

Awes

Oct 2014 to Jan 2015

- GWO Occupational First Aid – (Year Unknown)
- CNSG Safety card – (Year Unknown)
- Electrical Awareness – (Year Unknown)
- Offshore Medical – (Year Unknown)
- GWO Fire Fighting – (Year Unknown)
- Chester Step – (Year Unknown)
- GWO Medical – (Year Unknown)

Quality, Integrity, Reliability

OIM France SAS

RCS Saint Nazaire 948 296 983
12, allée des Alizés + 44380 PORNICHET,
France

- Erected and installed various types of wind turbines across the UK.
- Managed risk levels on wind turbines.
- Suggested contingency plans as necessary.

TSWA Service Technician

Awes

Oct 2013 to Oct 2014

- Pre-commissioned 3.6 MW turbines and completed snagging lists.
- Serviced machines in line with 500hr service procedures.
- Led night shift rotor lock team.

Offshore Technician

Awes

Apr 2013 to Aug 2013

- Conducted cabling, mechanical completion, and commissioning tasks.
- Followed strict Health and Safety protocols during maintenance work.

Wind Turbine Installation Technician

William O'Brien Energy Services

Aug 2012 to Feb 2013

- Prepared turbine components for installation.
- Assisted cabling team and managed crane preparations.
