

Rope Access Technician (IRATA Level 2) / Rigger

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

IRATA Level 2 Rope Access Technician and Rigger with experience in offshore general maintenance and industrial support roles. Worked as a Rope Access Technician and later Team Leader, performing installation and removal of electrical devices and carrying out rope-access maintenance activities. Offshore exposure includes maintenance scopes on multiple TOTAL Angola FPSOs (Girassol, Clov, Dalia, Pazflor). Background also includes truck driving and auto mechanic work, providing strong hands-on mechanical aptitude. Safety-focused with practical training in rigging/slinging, torque and bolting, and fire fighting.

KEY ACHIEVEMENTS

Offshore FPSO maintenance exposure: Performed general maintenance and rope access scopes for TOTAL Angola across FPSO Girassol, FPSO Clov, FPSO Dalia, and FPSO Pazflor.

Team leadership in rope access work: Served as Rope Access Technician and Team Leader (2015–2018) supporting mounting and dismounting of electrical devices.

Multi-trade technical foundation: Built a practical technical base through auto mechanic training/work and additional offshore support training (roustabout, rigging/slinging, torque and bolting).
