

# HV Cable Jointer

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Experienced HV Cable Jointer with over 15 years in electrical maintenance and high-voltage systems across hospital, industrial, and offshore projects. Skilled in jointing, testing, and installation up to 72.5kV with strong safety compliance. Proven team leader with a track record of completing critical projects to high standards. Committed to maintaining safety and operational compliance in all tasks.

## KEY ACHIEVEMENTS

**HV Cable Jointing:** Successfully completed jointing and testing on major offshore and industrial energy projects, including the SoLia Offshore Windfarm.

**Safety Compliance:** Ensured full safety and operational compliance across multiple high-voltage systems during tenure at SP Energy Networks.

**Electrical Maintenance:** Provided reliable electrical maintenance and installations in a high-risk healthcare environment at NHS Aintree University Hospital.

## PROFESSIONAL EXPERIENCE

### HV Cable Jointer

Self-Employed – JLA Jointing Limited

Oct 2024 – Present

- Responsible for high-voltage jointing, terminations, and testing on major offshore and industrial energy projects.
- Recent projects include SoLia Offshore Windfarm.
- Ensured compliance with safety standards during all operations.

### Cable Jointer

SP Energy Networks

September 2013 –

May 2024

- Worked across LV, 11kV, and 33kV systems with multiple authorisations.
- Conducted installation, jointing, maintenance, and testing of HV/LV networks.
- Ensured full safety and operational compliance.

### Electrician

NHS Aintree University Hospital

Jan 2009 – Sept 2013

- Provided electrical maintenance and installations across a large healthcare facility.

## TECHNICAL SKILLS

- HV Cable Jointing up to 72.5kV
- Siemens 8VM1 Switchgear
- NEN 3840 HV Theory & Practical

## SOFT SKILLS & PERSONALITY TRAITS

- Strong safety awareness
- Effective communication
- Team collaboration

## EDUCATION & TRAINING

- NVQ 3 Engineering Maintenance – St Helens College (2011)
- City & Guilds 2382-12 (17th Edition) – St Helens College (2011)
- BTEC National Certificate in Electrical/Electronic Engineering – St Helens College (2011)
- Performing Engineering Operations NVQ2 – Knowsley Community College (2009)
- City & Guilds 2330 – Knowsley Community College (2009)
- Key Skills Level 2 – Knowsley Community College (2009)
- GCSEs in English Literature (C), English Language (C), Maths (C), Science (CC), Electronics (A), IT (C), PE (C), French (D) – Halewood Sixth Form & Comprehensive School (2005)

Quality, Integrity, Reliability

OIM France SAS

RCS Saint Nazaire 948 296 983

12, allée des Alizés + 44380 PORNICHET,  
France

- Responsible for planned maintenance and fire alarm testing.
- Ensured safety compliance in a high-risk environment.

### **Apprentice Engineer**

*Orritt Electronic Services*

*July 2007 – March  
2008*

- Assisted in nationwide installations of sound, lighting, and visual systems.
- Gained hands-on experience in wiring and system testing.
- Involved in on-site problem solving.
