Senior Energy Professional

PE

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Senior energy professional with over 25 years of international experience in engineering, project delivery, and operational leadership. Proven expertise in subsea systems and well operations, with a strong track record in both operator and supplier environments. Skilled in leading teams, managing technical and commercial interfaces, and delivering complex projects across Norway, Angola, and West Africa. Known for a practical, solution-oriented leadership style that effectively connects strategy with customer needs.

KEY ACHIEVEMENTS

Sales Director: Led the subsea controls portfolio in Norway, achieving significant sales growth and team development.

Operations Manager: Improved delivery quality and on-time performance through effective management of production and logistics.

Technical Director: Established a full-service organization in Angola, expanding from 4 to 35 employees and enhancing service capabilities.
