

# Rope Access Technician (IRATA Level 2) / Electrician

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Rope Access Technician (IRATA Level 2) and Electrician with extensive offshore and onshore experience in Angola, supporting maintenance, inspection assistance and surface preparation works. Worked on multiple FPSO and vessel assignments across Blocks O, 15 and 17, including Girassol, Mondo, Mafumeira Norte and Paz Flor. Experienced in rope access operations for blasting and painting, and in assisting inspection activities for class survey and SBM requirements. Familiar with basic NDT support activities including UTM as stated in the CV. Safety-focused and able to work in challenging environments with sustained field deployment.

## KEY ACHIEVEMENTS

**Long-term rope access deployment:** Maintained continuous employment with Rope Access Angola from 19/10/2012 to present, supporting multiple offshore assets and scopes.

**FPSO maintenance support (Block 17):** Performed rope access maintenance work for 4 years on Block 17 Girassol FPSO.

**Inspection assistance (Block 15):** Supported inspection activities as an assistant for class survey and SBM requirements on Block 15 Mondo FPSO, using NDT method such as UTM as stated.

**Surface preparation and coating works:** Executed blasting and painting scopes on Block O Mafumeira Norte vessel (6 months) and continued blasting/painting on Block 17 Paz Flor FPSO.
