

Electrical Inspector / HV Jointer

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Electrical Inspector with extensive expertise in high voltage jointing and fibre optic splicing across offshore and industrial sectors. Proficient in various testing methodologies including VLF, Tan Delta, and Partial Discharge Testing. Demonstrates strong leadership in supervising teams and ensuring compliance with safety standards. Known for reliability, meticulous attention to detail, and a commitment to quality assurance in all electrical installations.

KEY ACHIEVEMENTS

HV Jointer: Successfully installed and tested multiple high voltage joints, enhancing system reliability.

Electrical Foreman: Led the electrical foreman team for the Fire Fighting System upgrade, ensuring timely project completion.

Fibre Optic Specialist: Executed 350m fibre optic cable pulls, improving communication infrastructure.
