

# Rope Access Technician & Industrial Spray Painter

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Rope Access Technician and industrial spray painter with experience in offshore and industrial environments in Angola. Skilled in surface preparation and coating activities including blasting, UHP water jetting, and manual preparation prior to painting. Experienced in painting pipe systems, equipment, and structures, and in installing rigging equipment to support maintenance work at height. Has worked on maintenance and revamping activities, including GRP-related work and FPSO maintenance exposure. Safety- and maintenance-focused, able to support teams on demanding sites and adapt to dynamic work environments.

## KEY ACHIEVEMENTS

**Offshore industrial exposure:** Worked across multiple offshore blocks (17, 2, 31, 14, 15) and bases/sites including Malongo base, Kwanda, Petromar (Ambriz) and Painal.

**Surface preparation & coating delivery:** Performed end-to-end surface preparation (blasting, UHP, manual prep) and industrial painting on pipe systems, equipment and structures.

**Work-at-height maintenance support:** Installed rigging equipment and assisted maintenance teams to execute jobs at height using rope access methods.

**Project participation:** Contributed to GRP project activities and revamping/maintenance work on Girassol FPSO.

## PROFESSIONAL EXPERIENCE

### Rope Access Technician / Spray Painter

*Rope Access Angola*

**2012 - Corrent**

- Performed surface preparation before painting using blasting, UHP water jetting and manual preparation.
- Painted pipe systems, equipment and structural steel in industrial/offshore environments.
- Installed rigging equipment and supported maintenance work at height.

### Blaster and Painter

*Prezioso*

**2008 - 2011**

- Performed blasting and industrial painting tasks.
- Prepared surfaces prior to coating application.

## TECHNICAL SKILLS

- Rope access work at height
- Industrial spray painting
- Surface preparation
- Abrasive blasting
- UHP water jetting (surface preparation using water)
- Manual surface preparation
- Rigging equipment installation
- Pipe system painting
- Equipment and structural painting
- Wrapping and insulation
- Industrial electricity (basic training)

## SOFT SKILLS & PERSONALITY TRAITS

- Teamwork
- Adaptability in dynamic work environments
- Availability/mobility for assignments

## EDUCATION & TRAINING

- 12th Grade Industrial Electricity – Colégio
- Industrial Painting – Prezioso Training Center
- Spray Painting – Prezioso Training Center
- Wrapping and Insulation – Prezioso Training Center
- Blasting – Prezioso Training Center
- UHP (surface preparation using water) – Prezioso Training Center
- Languages – Portuguese (fluent), French (fluent), English (intermediate)

Quality, Integrity, Reliability

**Ocean Inspection and Maintenance**  
30 Cecil Street, 19-08 Prudential Tower,  
Singapore, 049712

- Supported maintenance coating activities on industrial assets.
