

HV Technician / Wind Turbine Inspector

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Dedicated HV Technician with 17 years of experience in the electrical industry, specializing in wind turbine safety and operations. Currently employed at Swire, I have a strong understanding of HV systems and safety protocols. My career is marked by a commitment to quality workmanship and adherence to safety standards. I thrive on new challenges and continuously seek opportunities for professional growth and development.

KEY ACHIEVEMENTS

HV Service Campaign: Successfully carried out HV service campaigns on Siemens 3.6MW wind turbines, ensuring reliable operation for Vattenfall.

Wind Turbine Commissioning: Collaborated in the commissioning of wind turbines, contributing to the integration of the largest offshore wind farm into the grid.

Safety Compliance: Implemented Lockout/Tag-out procedures, ensuring safety during maintenance and repair work.

PROFESSIONAL EXPERIENCE

HV Technician

Swire - Dantysk Wind Farm, UK

Aug 2024 - Present

- Conducted HV service campaigns on Siemens 3.6MW wind turbines.
- Performed detailed inspections of transformers, switchgear, and cable connections.
- Executed switching operations in accordance with safety protocols.

HV Electrical Technician

Boston Energy - Dogger Bank, UK

Jul 2024 - Aug 2024

- Installed and repaired joints and terminations up to 66KV, ensuring quality workmanship.
- Performed cable phasing and troubleshooting of faults found.
- Maintained safety compliance during all operations.

Wind Turbine Commissioning Technician

Boston Energy Offshore, UK

Jul 2024 - Aug 2024

- Collaborated with the Authorised Technician to commission wind turbines.
- Executed Lockout/Tag-out procedures prior to maintenance work.

TECHNICAL SKILLS

- HV joining
- Terminations and testing
- Switchgear operations
- HV equipment inspections
- Troubleshooting
- Commissioning and installation

SOFT SKILLS & PERSONALITY TRAITS

- Dedicated
- Punctual
- Safety-focused
- Detail-oriented

EDUCATION & TRAINING

- Level 2 & Level 3 City and Guilds Electrotechnical Technology – (Year Unknown)
- AM2 – (Year Unknown)
- NVQ – (Year Unknown)
- C&G 18th Edition – (Year Unknown)
- ECS – (Year Unknown)
- 2395 Testing and Inspection Certificate – (Year Unknown)
- GWO BST – (Year Unknown)
- GWO ART – (Year Unknown)
- GWO EFA – (Year Unknown)
- GWO Slinger/signaller – (Year Unknown)
- GWO Crane and Hoist – (Year Unknown)
- Offshore Medical & Chester Step – (Year Unknown)
- Emss Safety Passport – (Year Unknown)

- Addressed punch list items to minimize system downtime.

Wind Turbine Electrician

Dogger Bank Pre-Assembly Site, UK

Mar 2023 - Jul 2024

- Installed and jointed signal and power cables inside turbine towers.
- Reviewed checklists to ensure quality control during commissioning.
- Assisted mechanical teams with bolt torquing during tower erection.

Electrical Technician

PTSG, UK

*Feb 2015 - Aug 2018 /
Aug 2019 - Feb 2023*

- Conducted EICR testing and inspections in commercial and industrial buildings.
- Performed emergency light testing and remedial works.
- Managed documentation to a high standard.

Electrical Technician

Up North Engineering, UK

Oct 2018 - Aug 2019

- Managed installations of electrical equipment in communication rooms.
- Performed generator and main switchboard replacements.
- Handled cable containment and terminations.

- HUET – (Year Unknown)
- 11-15kV Safe Operation of Switchgear – (Year Unknown)
- Equinor Competent Person – (Year Unknown)
- Hailo Lift Training – (Year Unknown)
- Pfisterer Size 3 Connex – (Year Unknown)
- Pfisterer P3 Plug – (Year Unknown)
- 66kV Field Technician – (Year Unknown)
- WTSR – (Year Unknown)
- WESR Vattenfall – (Year Unknown)
- Siemens Avanti Lift – (Year Unknown)
- Orsted Competent Person – (Year Unknown)
