

# Quality Inspector / Marine Renewable Energy Consultant

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Driven by a strong passion for marine renewable energy, especially offshore wind farms, I am keen to contribute to innovative and impactful projects in this fast-evolving sector. With extensive experience in quality inspection and project management, I have worked on significant offshore wind projects. My expertise includes client representation and quality assurance in high-stakes environments. I am reliable, autonomous, and safety-focused, ensuring the highest standards in all my work.

## KEY ACHIEVEMENTS

**Client Representative for Vineyard Wind 1:** Acted as the client representative on site, ensuring project milestones were met for the Vineyard Wind 1 offshore wind project.

**WTG Quality Inspector:** Oversaw quality inspections for the Iberdrola Saint-Brieuc offshore wind farm, ensuring compliance with industry standards.

**Quality Technician at Les Chantiers de l'Atlantique:** Performed quality checks and inspections during the construction phase, contributing to the successful delivery of projects.
