

# Welding Technician

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Dedicated Welding Technician with extensive experience in various welding processes including MIG-MAG, OXI-Acetylene, and Manual Arc. Proven track record in major projects within the oil and gas industry, particularly with Chevron and Total. Strong leadership skills developed through years of team management and project execution. Committed to safety and quality in all aspects of work, ensuring compliance with industry standards.

## KEY ACHIEVEMENTS

**Leadership in Welding Projects:** Successfully led a team for four years, enhancing project efficiency and safety.

**Major Project Contributions:** Contributed to significant projects such as Block 31 PSVM and Kaombo Project, ensuring high-quality welding standards.

**Diverse Welding Expertise:** Gained extensive experience in various welding techniques and environments, including offshore and barge jobs.

## PROFESSIONAL EXPERIENCE

### Welding Technician

Sonamet Company – Mafumeira Project,  
Angola

2007-2008

- Performed welding tasks for Chevron's Mafumeira Project.
- Ensured compliance with safety and quality standards.
- Collaborated with team members to achieve project goals.

### Welding Technician

Fab-yard – Malongo, Cabinda, Angola

2008-2010

- Executed welding operations for BBLT Project.
- Maintained high standards of workmanship and safety.
- Worked closely with project managers to meet deadlines.

### Welding Technician

Heerema – Porto Amboim, Angola

2010-2018

- Involved in multiple high-profile projects including BP and Chevron.
- Led welding teams and ensured project specifications were met.
- Trained new welders on safety and operational procedures.

## TECHNICAL SKILLS

- MIG-MAG welding
- OXI-Acetylene welding
- Manual Arc welding
- TIG welding
- Leadership in welding projects

## SOFT SKILLS & PERSONALITY TRAITS

- Good leadership skills
- Ability to create and apply ideas and solutions
- Team-oriented
- Safety-focused

## EDUCATION & TRAINING

- Welding-MIG-MAG, OXI-Acetylene, Manual Arc – Polivalente Professional Centre (2006)
- Welding Process, SMAW (6G & 6GR Position) and SAW – Sonamet Welding Training Centre (Year Unknown)
- Welding Process TIG (Carbon Steel) – Jeppe Training Centre (2019)
- Leadership – OMITC-Operatec Marine & Industrial Training Centre (Year Unknown)
- H2S Basic Training – OMITC-Operatec Marine & Industrial Training Centre (Year Unknown)
- PST/WST Personal Survival Techniques/Water Super Training – OMITC-Operatec Marine & Industrial Training Centre (Year Unknown)
- CSE Confined Space Entry – OMITC-Operatec Marine & Industrial Training Centre (Year Unknown)
