

HV Cable Jointer

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Highly skilled HV Cable Jointer and technician with extensive experience in high voltage cable termination, rigging operations, and heavy load management across various international projects. Known for strong organisational skills, meticulous attention to safety on construction sites, and effective communication abilities. Proficient in preparing heavy loads for movement and hydraulic winches exploitation during cable pulls-in operations. Career goal includes advancing expertise in high voltage solutions while contributing to innovative energy projects globally.

KEY ACHIEVEMENTS

Lead Jointer: Successfully led a team in routing, cleating, and termination of high voltage cables, ensuring quality control and safety.

HV Cable Jointer: Executed cable terminations and testing procedures for multiple high voltage projects, enhancing operational efficiency.

Self-employed HV Jointer: Managed various offshore projects, demonstrating expertise in installation and termination of HV cables.

PROFESSIONAL EXPERIENCE

Lead Jointer

Reynard high voltage solutions, Taiwan

09.2025 - 11.2025

- Routing, cleating, and termination of RSTF Reichem TE, 72.5 kV.
- Conducted PIT and SAT testing.
- Led the team and managed lifting operations.

Asset Controller

JDR cables, Gdynia, Poland

08.2025 - 09.2025

- Ensured all equipment was present and ready for use.
- Performed quality control of terminations.
- Assisted in HV jointer role.

HV Cable Jointer

Reynard high voltage solutions, Denmark

08.2024 - 10.2024

- Executed cable replacement scope for 33kV.
- Conducted TDR and ID tests.
- Managed cable disconnection and extraction.

HV Cable Jointer

Reynard high voltage solutions

03.2024 - 08.2024

TECHNICAL SKILLS

- HV cable termination
- PIT testing
- SAT testing
- TDR
- OTDR
- IR testing
- sheath testing
- rigging equipment knowledge
- heavy load management
- hydraulic winches exploitation

SOFT SKILLS & PERSONALITY TRAITS

- Meticulous
- Strong organizational skills
- Effective communication
- Able to work under pressure

EDUCATION & TRAINING

- Banksman & Slinger assessment OPITO (stage 3)
- Rigger assessment OPITO (stage 3)
- GWO (5 modules) – 2021
- GWO Enhanced First Aid – 2021
- GWO Advanced Rescue training – 2021
- BOSIET (inc HUET; CA-EBS etc.) – 2021
- Confined space entry – 2021
- Ventus Energy Electrical & Mechanical Safety Rules – 2021
- WESR BASIC Certificate – 2021
- HV Jointer training DNV approved – 2021
- Russian: First Language
- Lithuanian: First Language

Quality, Integrity, Reliability

OIM France SAS

RCS Saint Nazaire 948 296 983
12, allée des Alizés + 44380 PORNICHET,
France

- Performed OTDR, phase ID, TDR, IR, and sheath tests.
- Conducted cable terminations for various projects.

Tower Team Foreman

*Reynard high voltage solutions, Ijmuiden,
Luchterduinen WF*

07.2023 - 08.2023

- Coordinated and supervised the team during cable replacement.
- Managed winch and rigging assembly operations.

Team Leader / Foreman

Reynard high voltage solutions, Sneek

08.2023 - 09.2023

- Led the team in cable identification and phase tests.
- Oversaw cable pull-in operations and installation of tower platforms.

Self-employed HV Jointer

Sosunov individual activities, Offshore

03.2017 - 11.2021

- Managed various offshore HV projects.
- Performed installation of HV cable accessories and hang-off installations.

Onshore/Offshore HV Jointer

TDPower, Riga, Latvia

05.2012 - 05.2015

- Executed XLPE and EPR cable terminations from 33 to 110 kV.
- Led the team in pull-in operations.
