

# Quality Assurance / Quality Control Inspector

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Experienced Quality Assurance and Quality Control Inspector with over 12 years in the oil and gas industry, specializing in NDT inspection, welding inspection, and mechanical construction. Proven track record in managing inspection activities, ensuring compliance with customer requirements, and conducting thorough quality checks. Skilled in project planning and completion, with a strong focus on safety and reliability. Adept at working in both onshore and offshore environments, demonstrating autonomy and commitment to quality.

## KEY ACHIEVEMENTS

**NDT Inspection Specialist:** Conducted NDT inspections for various projects, ensuring compliance with industry standards and client specifications.

**Project Planner Control:** Successfully managed multiple projects, including FPSO modifications and fabrication of complex structures.

**Quality Control Inspector:** Implemented quality control measures that improved inspection accuracy and reduced rework.
