

Mechanical Technician / Rope Access Technician

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

KT

EXECUTIVE SUMMARY

Kyle is a dedicated Mechanical Technician with extensive experience in offshore technical mechanics since 2019. His expertise encompasses a wide range of mechanical systems, including flanges, compressors, and valve installations. Known for his reliability and strong work ethic, he excels both as a team player and an independent problem solver. Committed to continuous learning, Kyle is eager to expand his skills and contribute effectively to any organization. His attention to detail and adherence to safety protocols make him a valuable asset in high-risk environments.

KEY ACHIEVEMENTS

Mechanical Technician on Offshore Rig: Contributed to offshore mechanical operations, including valve and spool piece installations, while adhering to strict safety standards.

Workshop Management & Sales: Supported dealership expansion by performing Pre-Delivery Inspections and managing workshop operations.

Rope Access Technician: Executed high-risk structural services with a focus on safety and precision.
