

# NDT Level 2 Inspector (ASNT/PCN) & IRATA Rope Access Technician

SM

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

NDT Level 2 Inspector and rope access technician with offshore and onshore experience in Angola's Oil & Gas sector, supporting inspection, quality control and maintenance activities on FPSOs. Experienced performing routine NDT and QA/QC on piping networks, pressure vessels, storage tanks, welded equipment and structural components, with exposure to corrosion monitoring and cathodic protection checks. Comfortable working under permit-to-work systems, participating in safety meetings and producing inspection reports using Excel and site systems such as SAP. Selected to support inspection campaigns including radiography (X-ray), eddy current, drone inspection coordination with third parties and flexible hose inspections. Safety-focused and team-oriented, with experience assisting and guiding junior technicians and contributing to emergency response readiness offshore.

## KEY ACHIEVEMENTS

**Offshore FPSO inspection delivery:** Performed routine NDT and QA/QC inspections across multiple FPSOs (CLOV, PAZFLOR, GIRASOL, KIZOMBA B) covering piping, tanks, pressure vessels, welded equipment and structural elements.

**Inspection campaigns support:** Chosen to support and drive inspection campaigns such as X-ray/radiography, eddy current, flexible hose inspections and coordination of drone inspections with third-party providers.

**Permit-to-work and reporting:** Created permits to work and produced inspection reporting using Excel and site tools including ADHOC and SAP.

**Emergency response participation:** Participated as part of an FPSO emergency response team, strengthening discipline and posture during emergency situations.

## PROFESSIONAL EXPERIENCE

### Site NDT ASNT-PCN Level 2 Inspector - IRATA L1 & Lifting Tech.

Rope Access Angola Insp. Maintenance & Rope Access Services, Luanda, Angola (Offshore & Onshore)

2014-2019 - FPSO CLOV "Total Angola Block 17"
