

Senior Mechanical Technician

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Mechanical Technician with nearly 30 years in mechanical, electrical, and hydraulic engineering across UK, Europe, and Asia. Highly motivated self-starter capable of working independently or as part of a team under high-pressure conditions. Proven ability to perform preventative maintenance, repair, and testing of complex systems. Strong communicator with a focus on planning and organization, dedicated to achieving high standards in all tasks.

KEY ACHIEVEMENTS

Optronics Systems Maintenance: Led preventative maintenance and repair on sensitive military appliances, ensuring operational readiness.

Submarine Rescue Systems Construction: Successfully constructed submarine rescue systems, demonstrating technical expertise and precision.

Dive System Installation: Contributed to the construction of a 300m dive system that met Lloyds and DNV standards.

PROFESSIONAL EXPERIENCE

Senior Mechanical Technician

James Fisher Defence Ltd, UK

2021 to Present

- Conduct preventative maintenance and repair on optronics systems.
- Perform extensive testing of military appliances.
- Construct submarine rescue systems.

Self Employed Plant Maintenance

Various Contracts, UK

2016 to 2021

- Managed all aspects of fleet maintenance including mechanical and hydraulic systems.
- Performed repair and overhaul of heavy plant equipment.
- Provided marine ship-to-shore services including diesel engine overhauls.

Workshop Technician

JFD Limited, UK

2014 to 2016

- Installed internal components of saturation dive systems.
- Fabricated bespoke parts and components for marine applications.
- Conducted integrity and pressure testing of pipework.

AM

TECHNICAL SKILLS

- Mechanical Engineering
- Electrical Engineering
- Hydraulic Systems
- Pneumatic Systems
- Optronics Systems Testing
- Pressure Testing

SOFT SKILLS & PERSONALITY TRAITS

- Motivated
- Team-oriented
- Effective communicator
- Problem solver

EDUCATION & TRAINING

- NC: Servicing and Repairing Plant Equipment – SCQF 5 (1998)
- Hydraulic Systems and Components – CITB SCQF 6 (2001)
- Electronic Engineering Practice – Ried Kerr College (2004)
- Communication (Vocational Purposes) – Glasgow Nautical College SCQF 7 (2005)
- Various Engineering and Safety Certifications (1998-2005)

Quality, Integrity, Reliability
