

Senior Seismic Interpreter / Project Leader

MG

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Senior Seismic Interpreter and Project Leader with over 10 years in geosciences and seismic interpretation across Latin America. Proven track record in managing large-scale projects for major oil companies, including Pemex and Ecopetrol. Skilled in asset evaluation, seismic data analysis, and multidisciplinary integration. Strong leadership abilities with a focus on delivering high-quality results on time and within budget.

KEY ACHIEVEMENTS

Seismic Interpretation Projects: Led over 10 seismic interpretation projects in Mexico, enhancing exploration and production capabilities.

Asset Evaluation Leadership: Directed asset evaluations for Petrobras divestment, contributing to strategic decisions in Angola, Congo, Tunisia, and Oman.

Project Management in LATAM: Managed over 25 geoscience projects across Mexico, Colombia, Ecuador, and Peru, ensuring timely delivery and budget adherence.
