

Quality Assurance / Quality Control Inspector

VD

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

EXECUTIVE SUMMARY

Experienced Quality Assurance and Quality Control Inspector with over 12 years in the oil and gas industry, specializing in NDT and welding inspection. Proven track record in mechanical completion, commissioning, and project management across various sectors including onshore and offshore pipelines. Skilled in conducting inspections, preparing reports, and coordinating with clients to ensure compliance with industry standards. Known for reliability, attention to detail, and a commitment to safety in all operations.

KEY ACHIEVEMENTS

NDT Inspection Expertise: Conducted NDT inspections in various projects, ensuring compliance with client specifications and industry standards.

Project Management: Successfully managed multiple projects including the Marimba C2 and Kizomba B Tie Back, enhancing operational efficiency.

Quality Control Leadership: Led QC-NDT inspections at Petromar, improving reporting accuracy and client satisfaction.
