

# Rope Access Technician & NDT Assistant Inspector

VL

Presented by OIM, your trusted partner in Quality Services. We specialise in supplying top-tier Quality Inspection Personnel to integrate and reinforce your teams.

## EXECUTIVE SUMMARY

Rope Access Technician and Assistant NDT Inspector with extensive offshore experience in Angola, combining maintenance, inspection and surface preparation scopes. Eight years of IRATA Level 2 rope access practice and five years supporting NDT activities including UT, MT and PT. Experienced on major FPSO assets in Block 17 (Dalia, Pazflor, Girasol) and offshore work in Block 3 for Sonangol, with blasting and spray painting qualifications (SAQC). Safety-trained with HUET/T-BOSIET, confined space and advanced fire fighting certifications. Comfortable working in demanding offshore environments and supporting inspection and maintenance teams with a strong focus on compliance and safe execution.

## KEY ACHIEVEMENTS

**Offshore FPSO inspection support (Block 17):** Supported NDT inspection activities as an Assistant Inspector on FPSO Dalia (3 years) and FPSO Pazflor (2 years), using UT/MT/PT methods as qualified.

**Girasol revamping project contribution:** Worked on the Girasol revamping project for 2 years on Block 17 FPSO Girasol, performing blasting and spray painting activities.

**Rope access experience:** Delivered rope access technical support for 8 years with Rope Access Angola, enabling access solutions for maintenance and inspection tasks.

**Offshore surface preparation and coating:** Completed 1 year of offshore blasting and painting work in Block 3 Sonangol, supporting asset integrity through surface preparation and coating.

## PROFESSIONAL EXPERIENCE

### Blasting and Spray Painting Technician (GRP / Girasol Revamping Project)

Block 17 FPSO Girasol 2 years

- Performed blasting and spray painting activities as part of the Girasol revamping project.
- Supported surface preparation and coating works in an offshore FPSO environment.
